

PROFESSIONAL AND BIOGRAPHIC PROFILE

Position: Alternate Member of the Board of Directors of Neoenergia

Date of last election: March 12th, 2026

Positions held and current professional activities

She serves as Global Networks Director of the Iberdrola Group and is a Full Member of the Boards of Directors of Neoenergia Coelba, Neoenergia Cosern, Neoenergia Pernambuco, Neoenergia Elektro, Neoenergia Brasília, and Afluente Transmissão. She is also a Member of the Board of Directors of I-DE Redes Eléctricas Inteligentes, S.A.U.

Personal profile and educational background

She holds a degree in Electrical Engineering from the ICAI School of Engineering at Comillas Pontifical University and holds a postgraduate degree in Economics of the Electricity Sector from Carlos III University of Madrid.

Experience in the energy sector and in other industries

She has more than 30 years of experience in the electricity sector. She began her career in consulting and, within the Iberdrola Group, has assumed various responsibilities that required significant functional and geographic mobility at both national and international levels.

She has international experience, having worked in Bolivia early in her career as part of Iberdrola's internationalization process, and more recently in the United States, where she served as Vice President of Processes and Technology.

She has also held the positions of Head of Zone at Iberdrola Distribución and Institutional Delegate in the Extremadura region, in addition to serving as Head of Planning and Operations for the Northern Region.

Until January 2024, she served as Director of the Eastern Region (Valencian Community and Region of Murcia) at i-DE Redes Eléctricas Inteligentes, S.A.U.
