

PROFESSIONAL AND BIOGRAPHIC PROFILE

Position: Full Member of Neoenergia Board of Director

Other positions held in the Company: Full Member of Neoenergia's Financial Committee

Date of last election: July 14, 2025

Positions and professional activities currently performed

He is a Member of the Board of Directors and Audit and Compliance Committee of Iberdrola Energía Internacional, S.A.U.

He is also Director of Corporate Development at Iberdrola, S.A., as well as Director of Iberdrola México, S.A. de C. V. and ELECTRICITY NORTH WEST.

Personal profile and educational background

David is married, and he holds a degree in Business Administration and Management from ICADE and an MBA from IESE (University of Navarra).

Experience in other sectors

He was Chief Financial Officer ("CFO") of Grupo Prisa. Prior to assuming this position, he was deputy officer of the Corporate Development Division of Iberdrola, S.A. Likewise, David has been CFO of Siemens Gamesa Renewable Energy, S.A.U. – "SGRE" – and a member of its Management Committee since the incorporation of SGRE, having managed to obtain the company's investment grade (BBB) from the main rating agencies and the refinancing of the entire debt, always under sustainability criteria (ESG).

He was also a member of the Board of Directors of Iberdrola Renovables Energía, S.A.U, Iberdrola Renovables Internacional, S.A.U., Iberdrola Energía Sostenible España, S.L.U., ScottishPower Renewable Energy Limited, Neoenergia Renovables, S.A, Iberdrola Australia Limited, Windar, Adwen (former JV focused on Offshore between Gamesa and Areva), Avangrid Renewables, LLC and Gamesa's regional boards in India, Mexico and Brazil. Prior to his appointment as CFO, he served as Chief Development and Corporate Strategy Officer, leading the merger process between Gamesa and Siemens Wind Power. As a result, he was appointed Integration Officer, doubling the synergy objectives, and a member of the Steering Committee of the L3AD 2020 program.

Other information

David Mesonero has extensive experience in financial and strategic management of companies in the energy sector. Based on his expertise in capital markets, mergers and acquisitions (M&A) and the design of different financing structures, he has been recognized as one of the 40 most influential leaders under 40 years old in the energy industry (Recharge4040 award).

Wind Power Monthly magazine also appointed him as one of the 15 most influential people in the wind power industry.

He was also a Board Member of El País, Diario AS and Santillana.
